

## Additional Contactless Payment Options at Colonial Parking

We're making payment faster, easier and safer by offering contactless payment and access options at over 280 locations.

You can now pay via Apple Pay, Google Pay, or Tap and Pay at Pay-on-Foot machines, exit gates and attendant booths. We also offer Preferred Parker reservations and monthly accounts for seamless, contactless transactions.

### Contactless payment is easy and offered in a variety of ways:

#### Tap and Pay

Simply look for these familiar symbols wherever you pay for parking to use your phone, watch or Tap and Pay card for payment.

#### Preferred Parker Reservations

Preferred Parker Reservations can be made online via desktop or mobile device. Simply book your spot in advance and display your confirmation on-site. We have QR code readers at locations all over the city.

#### Monthly Accounts

Each monthly account comes with an access device in the form of a window cling, hangtag, RFID card or transponder that will allow you seamless, contactless entry and exit.
